

giftaid it

Using the Gift Aid scheme means that for every £ you donate to OA Sport, an extra 28p can be claimed from the taxman at no extra cost to you.

For example, if you donate £5 per month for 1 year, at end of the 12 months your total donation will amount to £60 and the taxman will add a further £16.80, meaning that OA Sport will receive £76.80.

How do I donate? Just simply complete and sign the declaration overleaf.
